

**Welcome our new  
Speech Language Pathologist  
Jessica Marshall**

Jessica has been a speech language pathologist for 9 years working with pediatrics to geriatrics. I also have worked in variety of settings - hospitals (inpatient and outpatient), nursing homes, and home health.

She is Vital Stim Certified and able to perform Modified Barium Swallow Studies with the Radiology Team which both help in the diagnoses and treatment of swallowing difficulties.

Speech Therapy can be of benefit for the following

- Feeding/Swallowing Difficulties
- Expressive and Receptive Language Skills
- Speech Sound Production
- Fluency
- Voice
- Aphasia
- Cognitive Skills
- Augmentative and Alternative Communication Device
- Pragmatics
