

Michelle Macey –Thacker, MSN, FNP-C

For Appointments call 618-943-7214 (Option #4)

My name is Michelle Thacker. I have been a registered nurse for over 6 years. I earned my Associates' degree from Vincennes University and my Master's degree from Chamberlain College of Nursing. I started my nursing career at IU Health in Bloomington Indiana on a Progressive Care Unit. After leaving IU Health, I began working as a travel nurse at Regional Hospital in Terre Haute, St. Vincent's Hospital in Evansville and most recently at Franciscan Health in Indianapolis. While obtaining my Master's degree, I completed all my clinical hours at Lawrence County Primary Care Clinic.

I was born and raised in Lawrence County. I am married to Kevin Thacker and I have 3 children, Marie, Hunter and Logan. I also have 2 grandkids, Bennett and Brynna. In my spare time, I enjoy traveling with my husband and family. I am happy to be back and working in my hometown and look forward to serving the community.
