

The Lawrence County Drug Coalition hosted a prescription drug “takeback day” on Friday at the Lawrence County Memorial Hospital Primary Care Clinic, 2111 Lexington Avenue, from 8 a.m. until 4 p.m. Friday. In the above photograph, Nick Peters of the Lawrence County Sheriff’s Department takes outdated drugs from Melanie Polston, Lawrenceville. Before noon on Friday, Peters had collected two large trash bags full of the unwanted drugs, which were to be properly disposed of by law enforcement.
